Despite many opportunities no one is appearing for the claim. In this case claim is not appearing since last Aug. 2018. Thereafter another 2 dates 28/8/23 & 21/9/23 were given to the claim to present but again they absent. After that again matter was fixed on 18/10/23, 16/11/23, 20/12/23, 30/01/24, 21/04/24, 3/03/24 and 10/04/24. Finally matter was fixed for today i.e. 08/05/24 for appearance of the claim but despite 3 calls no one appeared for claim and finally, at 11:20 AM matter has been taken for proceedings but till this time again no one present. As such it appears that claim is not intent to pursue this case. Hence matter dismissed for default. Copy of this order be uploaded on the website of this Dept.
