As claimant Sh. V.K. Mishra Advt
None for respondent

Ample authorities have been quoted to the
petitioner to provide the correct address of
rep., so that same can be served for
the rep. This authority provided to claimant
since 2022 & now it's 2023 now as
the same person ~~that~~ is taking the admission
& not providing the details of rep. not
from address of rep. This appears
claimant not having correct address of
rep. I feel as the same ground the
matter not to be admitted. Thus the
matter is closed. File closed. R.R.
